

Since being on the list I feel comfortable answering my phone because I know it won't be a telephone solicitor and I feel I have my privacy back. I used to recieve 7 to 8 calls per night. I now recieve 1-2 per month. I can not emphasize enough how much this has improved the time I spend at home. Telephone soliciting is an infringement of privacy of the citizen of Indiana. I am 100% for the "Do not call rule" as it has made a huge impact on my life because of the quality of the time I spend at home has improved because I no longer have to hang up on 7-8 telephone solicitors every night. It makes a HUGE difference and I would be very disappointed to see the law overturned.
